FIRE

Chief Nelson reported five calls during the month (four in May and one in June). One was on Airport Road – smoke in the house. Turned out to be burnt food on the stove. The rest were wildfires payable by the DNR. Nelson reported training in Pump simulator and Auto extrication through Minnesota North College. No new information on water tender or brush truck. The grant monies for turn out gear is no longer available. Nelson submitted the invoice for two sets. Nathanael Pierce needs a large size. Because the grant has ended, we would have to pay for the gear. Driscoll made a motion and Baker seconded to pay for the two sets of turn-out gear at \$2500.00 each. AIF motion carried.

Baker made a motion to accept the fire report, Driscoll seconded. AIF motion carried.
